

General access conditions for OneFortyOne Plantations forest areas

These conditions apply to land within the OneFortyOne Plantations Green Triangle lease area

- General access to the forest is welcome during daylight hours and does not require a permit.
- Obey all signage and avoid areas of commercial operations for your own safety.
- No entry on days of total fire ban or forest work closures.
- No fires to be lit or maintained, **REPORT ALL FIRES TO 000**.
- No interference with plantation crops or removal of plantation products.
- Respect other users and neighbours.
- Use of any firearm or other weapon is prohibited.
- Any activity should not cause any environmental or other damage. OneFortyOne reserves the right to recover the costs relating to any damage.
- All vehicles must be registered, drivers licenced and remain on formed tracks. Drivers are asked to drive in a manner appropriate to the conditions and be aware of larger forest machinery that may be using the roads.
- Treat wetlands, native vegetation, heritage and cultural areas with care and respect.
- Report all incidents or near misses to ForestrySA.
- Remove all rubbish and evidence of your activity from the site.
- Any requests or directions made by ForestrySA or OneFortyOne representatives in relation to forest operations and safety must be observed.
- Entry is at the sole risk of the person entering the OneFortyOne Plantations lease area.
